Report description:

Away-from-home (AFH) tissue and hygiene maintained a second year of double-digit current value growth in India in 2023. AFH hygiene, which consists only of AFH incontinence products, saw the strongest increase. With the growing prevalence of lifestyle-related disorders that lead to the need for adult incontinence amongst Indian consumers, sales of AFH incontinence products to hospitals and care facilities steadily increased. In contrast to other nations, India has relatively limited penetration...
