Report description:

Sun care in France saw a strong performance in 2023 - one of the strongest in beauty and personal care, with current value growth approaching the double digits. All categories, including sun protection, aftersun, self-tanning, and baby and child-specific sun care, showed positive value performances. The main reason behind the rise in sales was heightened awareness of the importance of sun care. Dermatologists keep underlining the importance of regular application of sun protection, and say it sh...

Euromonitor International's Sun Care in France report offers a comprehensive guide to the size and shape of the market at a national level.
