### **Report description:**

Although Guatemalans have been eager to resume pre-pandemic habits, the consumption of water in bulk 5-gallon format continued to rise in 2023. Due to the increased awareness of healthy lifestyles and practices, household water consumption has become more relevant. As a result of the pandemic, a greater number of homes now have water available at home on a regular basis. Leading bottled water brands such as Salvavidas offer home delivery services of this format, although it is also available in...
