### **Report description:**

There has been a mixed picture for carbonates in 2023, with reduced sugar variants performing better than regular varieties. In general, off-trade volume sales of reduced sugar variants are set to increase in 2023, as customers in Spain have shifted to these drinks away from regular varieties of carbonates, which are expected to see declines in off-trade volume sales. This shift within the category has been motivated by the health and wellness trend currently evident in Spain, with consumers dem...
