Report description:

Tunisia is currently grappling with a crisis in the supply of refined sugar, which first emerged in August 2022 and continued throughout 2023. This shortage has had a profound effect on the production of carbonates and subsequently on the overall availability of category products in the market. It should be noted that all sugar marketed in Tunisia is imported through the National Office of Trade (OCT), which is responsible for distributing it to packaged food industries. However, the OCT is enco...
