Report description:

Total volume sales of concentrates are set to see minimal growth in Spain in 2023. Sales in the off-trade channel are expected to see a negligible decline, with liquid concentrates set to return to its long-term trend of decline after one year of growth, whilst powder concentrates is anticipated to see falling sales following two years of minor growth in 2021 and 2022. In the on-trade channel, liquid concentrates is expected to see low growth, representing a continuation of recovery following th...
