Report description:

Energy drinks is set to see dynamic double-digit off-trade and on-trade volume growth in 2023. On-trade sales were hit hard by the pandemic, and despite strong growth, sales are not expected to return to the 2019 level in 2023. However, the off-trade channel accounts for the vast majority of sales, and sales actually increased throughout the review period, including in the first year of the pandemic, although at a slower rate. During the pandemic, consumers were actively looking for ways to over...

Euromonitor International's Energy Drinks in South Korea report offers a comprehensive guide to the size and shape of the market at a national level.
