### **Report description:**

Spectacles in the UK continued to witness positive growth in 2023 offset by the ramifications of the pandemic. At the same time, value growth was driven by average unit price increases in line with inflated energy prices. While both value and volume sales returned to pre-pandemic levels in 2022, category growth is set to notably slow over 2024, as consumers fully re-establish their regular routines. Furthermore, with the rising cost-of-living expenses due to soaring inflation, 2024 is expected t...
