business trends, growth perspectives, and more.

Key Highlights

Future Fund is a sovereign wealth fund that operates as a long-term investment vehicle for the Australian government. It was established in 2006 to strengthen the financial position of the government and meet the future liabilities of public sector superannuation schemes. The fund offers a range of investment options, including equities, fixed income, private equity, and infrastructure, with the goal of achieving strong long-term returns. It also provides funding for research and development projects in areas such as medical research, renewable energy, and technology. Additionally, Future Fund offers financial support to the Australian government during times of economic downturn or crisis. The fund is managed by a professional team of investment experts and is committed to responsible and sustainable investing practices. Founded in 2006, the company is headquartered in Melbourne, Victoria, Australia.
