company's business trends, growth perspectives, and more.

Key Highlights

The European Investment Bank is the lending arm of the European Union and is owned by the EU Member States. It is one of the largest supranational lenders in the world. The bank founded in Brussels in 1958 and then EIB moved to Luxembourg in 1968. The bank offer loans, guarantees, equity investments, and advisory services. It work in over 160 countries, inside the EU and beyond. The EIB now has more than 4000 staff members, both in Luxembourg and in external offices. It claims to be the biggest multilateral financial institution in the world and one of the largest providers of climate finance. It aim to address the challenges and risks of our changing world, from public health emergencies to gender inequality.

In 2022, the bank invested EUR10.8 billion beyond the European Union. EIB Global is dedicated to creating financial tools and assistance for communities where life is hardest, supporting women in participating equally in society and business, supporting peace, security and sustainable living, climate action and economic resilience, and innovative development finance. EIB Global is well on track to facilitate at least a third of the EUR300 billion of investment that Global Gateway aims to mobilise by 2027.
