### **Report description:**

Spectacles in South Korea saw only slow current value growth in 2023, and this trend is anticipated to continue into 2024, with the expectation of a further slowdown in year-on-year growth. However, within spectacles, the three categories - readymade reading glasses, spectacle frames, and spectacle lenses - have shown varying growth patterns. The current value growth of readymade reading glasses is expected to decline notably in 2024, reflecting saturation and shifting consumer preferences. Spec...
