Report description:

As with many other alcoholic drinks categories, total volume sales of cider/perry in the UK marginally declined in 2023. Cider/perry in the off-trade channel is quite mature, and following a boost from pandemic-related restrictions, demand continued to stabilise during the year as consumers spent greater time outside of the home. However, the on-trade channel also struggled in 2023, with volumes remaining substantially lower than 2019 levels. Although on-trade demand for cider/perry improved in...
