Report description:

Sales of chocolate confectionery struggled in 2023, as the cost of key ingredients including sugar and cocoa hit the manufacturers hard, with players forced to pass on the increase in production costs to the consumer. Indulgence has long maintained the category but in 2023 many consumers opted for cheaper products and as a result chocolate confectionery saw a decline in volume sales. Sales were also impacted by extreme temperatures with sales of chocolate confectionery coming under pressure during...
