### **Report description:**

Traditionally, shisha that incorporates the use of pipe tobacco in South Africa was marketed as safe, and made popular during social events due to a positive perception. It is a product that is fairly popular among the younger demographic. However, the use of pipe tobacco is included under legislation prohibiting its use in enclosed spaces or indoors. Bars and restaurants, where its use is popular, are circumventing this ban by offering the product in their outdoor spaces, thus encouraging prolo...
