### **Report description:**

Savoury snacks in Colombia is significantly affected by the inflationary climate in the market, which is causing consumers to restrict their discretionary spending. On the supply side, manufacturers are facing increased input costs resulting from commodities, energy and supply chain challenges, as well as the sugary tax imposed from 2023-2025. As a result, companies have decided to increase their unit prices of savoury snacks. On the other hand, as part of their cost strategies, many companies h...
