Report description:

The market for snacks in Egypt is expected to witness modest growth in retail volume terms in 2024, continuing the trend of the previous year. This will be accompanied by high double-digit current value growth, driven by significant increases in prices, as unprecedented inflationary pressures take their toll on manufacturing costs. The cost of transporting goods is also increasing, as the Red Sea shipping crisis, sparked by rebel attacks on container ships, results in disrupted supply chains.

Euromonitor International's Snacks in Egypt report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere. In addition to the latest retail sales data 2019-2023, it identifies the leading companies, brands and retail outlets, and assesses the key trends and demographic shifts behind consumer demand and sales growth. How key trends such as health and wellness, sustainability and recovery from the pandemic are shaping the market in <|Year|> directly informs our forecasts to 2028, clearly indicating how the market is expected to change.

Product coverage: Confectionery, Ice Cream, Savoury Snacks, Sweet Biscuits, Snack Bars and Fruit Snacks.
