Report description:

Snacks is set to see current value growth in Sweden in 2024. Volume sales are expected to stagnate during the year, with volume growth hard to come by due to already high per capita consumption of snacks in general and market maturity. Nonetheless, some trendy categories are managing to see healthy growth, boosted by product innovation and interest in the health and wellness features of snacking products.

Euromonitor International's Snacks in Sweden report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere. In addition to the latest retail sales data 2019-2023, it identifies the leading companies, brands and retail outlets, and assesses the key trends and demographic shifts behind consumer demand and sales growth. How key trends such as health and wellness, sustainability and recovery from the pandemic are shaping the market in <|Year|> directly informs our forecasts to 2028, clearly indicating how the market is expected to change.

Product coverage: Confectionery, Ice Cream, Savoury Snacks, Sweet Biscuits, Snack Bars and Fruit Snacks.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
