Report description:

A challenging economic situation persists in 2024 caused by the high inflation seen in the past two years which has left consumers in the situation where they are battling with an increased cost-of-living while prices continue to rise. However, while inflation has stabilised in 2024, significant price increases continue to impact chocolate confectionery as a result of soaring cocoa prices at the beginning of the year. The sharp increase in the price of cocoa is the result of a suboptimal harvest...
