### **Report description:**

Gum is seeing positive sales in Slovakia in 2024, in both volume and value sales, and in both retail and foodservice. While value is also being supported by unit price hikes, due to the commodity prices of sweeteners, volume is being supported by consumers' return to their sociable, out-of-home lifestyles in the post-pandemic landscape. This is good news for gum, which benefits from indulgence purchases and visible product placement at checkout counters. Promotions and discounts, in combination...
