Finally, the report includes recent news and deal activities undertaken by The Siam Commercial Bank Public Company Limited enhancing awareness of the company's business trends, growth perspectives, and more.

Key Highlights

Siam Commercial Bank (SCB), founded on January 30, 1907, holds the distinction of being Thailand's first indigenous bank. Headquartered in SCB Park Plaza, Chatuchak, Bangkok, the bank has played a pivotal role in shaping the nation's financial landscape for over a century. With a rich heritage spanning more than a century, SCB has established itself as a leading universal bank, offering a wide array of financial products and services to cater to diverse customer needs.

Beyond its domestic presence, SCB has strategically expanded its reach across international borders, establishing a robust global network that spans key financial hubs in Asia. With branches and offices in Beijing, Shanghai, Hong Kong, Singapore, Vietnam, Cambodia, Myanmar, and Laos, SCB effectively caters to the banking needs of both domestic and international clients, facilitating cross-border transactions and fostering global business relations.

SCB operates across multiple business segments, catering to both retail and corporate clients. Its retail banking arm offers a comprehensive suite of services, including home loans, personal credit, credit cards, and investment products, catering to the diverse financial needs of individual customers. On the corporate and SME banking front, SCB provides a range of specialized services such as cash management, trade financing, and investment banking, supporting businesses of all sizes in their growth and expansion endeavors.

SCB boasts strong financial standing and market position. With a focus on innovation and digital transformation, SCB continues to invest in cutting-edge technologies to enhance customer experience and drive operational efficiency. Furthermore, the bank remains committed to corporate governance, sustainability, and corporate social responsibility, aligning its business practices with global best practices and ethical standards.
