company's business trends, growth perspectives, and more.

Key Highlights

The Asian Development Bank (ADB) is a regional development bank that operates to promote economic and social progress in Asia and the Pacific. It offers a wide range of financial products and services to its member countries, including loans, grants, technical assistance, and equity investments. ADB also provides policy advice and knowledge sharing to help its member countries achieve sustainable and inclusive growth. Additionally, ADB supports regional cooperation and integration initiatives to promote economic development and reduce poverty in the region. The bank also works closely with governments, private sector partners, and civil society organizations to address pressing development challenges and promote sustainable development in the region. Overall, ADB's offerings aim to support the region's efforts towards achieving the United Nations' Sustainable Development Goals. Founded in 1966, the company is headquartered in Mandaluyong, Metro Manila, Philippines.
