Report description:

Oral care in India experienced mid single-digit retail current value growth in 2023, driven by brands expanding their presence in rural markets, and targeting premiumisation in urban areas. Amongst the various categories within oral care, toothpaste was the largest and fastest growing in 2023. Despite this, challenges persist, particularly regarding low per capita consumption of toothpaste in India, which stands at 0.13 litres per person, compared with 0.23 in China, and an Asia Pacific average...
