- Multiple User License (Global) €2985.00

Report description:

Demand for overall portable players in the UK remains positive, driven by the dominant category of wireless speakers. Local consumers are increasingly interested in and attracted to different portable audio solutions such as wireless speakers, while retail volume sales of e-readers and portable media players continue to fall. The latter, in particular, is considered outdated technology and easily substituted by other products. Demand for e-readers is waning, driven by the shift back towards phys...

Euromonitor International's Portable Players in United Kingdom report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level.
