Report description:

The selection of savoury snacks in Denmark is huge, taking up lots of space on retailers' shelves. Despite higher prices, retail volume sales are projected to increase, albeit modestly, over 2024. There are, however, expected to be divergences in performances within savoury snacks. For example, healthier-positioned categories nuts, seeds and trail mixes and vegetable, pulse and bread chips are set to post the highest retail volume increases, while puffed snacks and meat snacks are predicted to S...
