- Multiple User License (Global) €6450.00

### **Report description:**

Snacks in Guatemala is poised to show a modestly improved performance in current value growth terms in 2024, while retail volume growth looks set to be unchanged on the robust rate recorded the previous year. Together with favourable demographic factors, the strength of traditional consumption habits has helped to ensure demand has remained buoyant and reasonably resilient in all categories. Additionally, although still elevated, inflation has receded considerably from the highs witnessed during...

Euromonitor International's Snacks in Guatemala report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere. In addition to the latest retail sales data 2019-2023, it identifies the leading companies, brands and retail outlets, and assesses the key trends and demographic shifts behind consumer demand and sales growth.
