- Multiple User License (1 Site) €1990.00
- Multiple User License (Global) €2985.00

Report description:

In 2024, wearable electronics in Denmark is seeing a notable volume shift away from activity wearables to smart wearables. This is driven by the greater functionality offered by smart wearables and the growing availability and competition making them more affordable relative to activity bands. The broadening appeal of smart wearables is further enhanced by the increasing range of models at different price points and the growing functionality, such as payment apps like Garmin Pay and Apple Pay. S...

Euromonitor International's Wearable Electronics in Denmark report offers a comprehensive guide to the size and shape of the in-home, portable and in-car consumer electronics products markets at a national level. It provides the latest retail sales data, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market- be they new product developments, distribution or pricing issues. Forecasts illustrate how the market is set to change.

Product coverage: Activity Wearables, Smart Wearables.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

- * Get a detailed picture of the Wearable Electronics market;
- * Pinpoint growth sectors and identify factors driving change;
- * Understand the competitive environment, the market's major players and leading brands;
- * Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems. With offices in London, Chicago, Singapore, Shanghai, Vilnius, Dubai, Cape Town, Santiago, Sydney, Tokyo and Bangalore and a network of over 800 analysts worldwide, Euromonitor International has a unique capability to develop reliable information resources to help drive informed strategic planning.
