### **Report description:**

In 2024, volume sales of in-car entertainment in Egypt look set to record growth. The demand for in-car navigation systems with satellite capabilities has sharply declined, however, leading to their complete absence from the market. This decline is driven by the high prices of these systems and a consumer shift towards more affordable GPS navigation systems or using smartphones for navigation. Since 2022, import restrictions and a foreign currency shortage have exacerbated this trend, leaving al...
