Report description:

Several notable innovations are expected to boost volume sales of mobile phones in the Czech Republic in 2024. Motorola, for instance, introduced the new Moto G04 smartphone, which promises not to compromise on style or immersive entertainment. With its sleek design, immersive display, and advanced AI-powered camera features, the Moto G04 redefines expectations for an affordable smartphone, available to Czech consumers for as little as CZK2,490. Additionally, Xiaomi's latest series will feature...
