DP World Ltd is a global leader in port and logistics services, providing smart logistics solutions and end-to-end supply chain solutions to its customers. The company based in Dubai, United Arab Emirates and employs more than 103,000 employees from 75 countries. It operates a network of over 104 marine terminals and inland container depots across six continents, handling over 78 million TEUs (twenty-foot equivalent units) of containerized cargo and over 60 million tonnes of bulk cargo annually. DP World offers a wide range of services, including container handling, terminal operations, maritime services, and logistics services. It also develops and operates economic zones, which provide businesses with a range of benefits, such as tax breaks, customs facilitation, and access to world-class infrastructure. DP World is committed to innovation and sustainability, and is investing heavily in new technologies and green initiatives to improve the efficiency and environmental performance of its operations. The company is also working to develop new supply chain solutions that help its customers to reduce their costs and improve their competitiveness.
