## Key Highlights

Deutsche Bahn AG (DB AG) is a German railway company that operates the country's national railway system. It is one of the largest railway companies in the world and employs 336,884 people around the globe, including 221,343 in Germany and a network of over 33,000 kilometers of track. Deutsche Bahn operates a wide range of passenger and freight services, including high-speed trains, regional trains, and local trains. It also operates a number of bus and coach services. Deutsche Bahn is a major player in the European transport market, and it is committed to providing safe, reliable, and efficient transportation services. Deutsche Bahn operates a number of high-speed train services, including the ICE (Intercity Express), which travels at speeds of up to 320 km/h. It also operates a network of regional trains that connect cities and towns throughout Germany. Deutsche Bahn transports a wide range of goods by rail, including cars, chemicals, and agricultural products. It also offers intermodal freight services, which combine rail and road transportation to provide customers with a more efficient and flexible way to ship their goods.
