Report description:

Discounters in Egypt benefited from significant company activity at the end of the review period. In April 2023, Development Partners International (DPI) announced a USD165 million equity investment in Kazyon Ltd, the UK parent of the largest discounter in Egypt, Kazyoun, alongside co-investors, including British International Investment (BII), South Suez and others. The investment is considered a demonstration of the confidence in retail in Egypt and is intended to position the business for gro...

Euromonitor International's Discounters in Egypt report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face.
