### **Report description:**

Hypermarkets in Egypt witnessed dynamic retail value (constant 2023 prices) growth in 2023, as this format benefited from rising consumer price-sensitivity. Hypermarkets' success in the face of adverse macroeconomic conditions in the country affected overall consumer experiences. Greater numbers of shoppers used hypermarkets for monthly bulk purchases as they were confronted by the effects of high inflation. This supported strong retail value growth even in real terms. Consumers also took advant...

Euromonitor International's Hypermarkets in Egypt report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
