Report description:

Skin care in Austria flourished throughout the review period, seemingly unaffected by the impact of the pandemic and prevailing economic challenges. Retail volume and current value growth increased across all categories in 2023. Overall, skin care is saturated with a diverse mix of multinational and local skin care brands catering to a wide range of skin problems and consumer needs across all price segments. The increasing focus on skin health and the search for new products that enhance skin be...

Euromonitor International's Skin Care in Austria report offers a comprehensive guide to the size and shape of the market at a national level.
