Report description:

Yoghurt and sour milk products in Austria is projected to register a modest increase in retail volume sales and a healthy, if slower, rise in retail current value sales in 2024. The demand for these products remains at a high level. Plain yoghurt is predicted to see the highest retail volume and value growth in yoghurt and sour milk products at the end of the review period, ascribed to these products being considered natural and in line with the health and wellness trend. Plain yoghurt is a pref...
