enhancing awareness of the company's business trends, growth perspectives, and more.

Key Highlights

The Vietnam Bank for Agriculture and Rural Development, commonly known as Agribank, was founded on March 26, 1988. Its headquarters is in Hanoi, Vietnam. The bank serves a diverse array of needs through its comprehensive product and service offerings. Tailored for farmers and rural businesses, it provides lending and credit options for various agricultural needs and business expansion, microfinance services for micro-entrepreneurs, risk management through crop and livestock insurance, and trade finance solutions to facilitate international trade. For individuals and families, the bank offers deposit products, investment solutions, and insurance plans, including life, health, and property insurance. Mobile banking services provide convenient access to financial tools, payments, and services. Beyond financial offerings, Agribank engages in community initiatives, educational programs, and social responsibility efforts, contributing to financial literacy, rural development, and local infrastructure projects. Noteworthy services include remittance services, foreign exchange for international transactions, and various payment solutions for bill payments and online transactions.
