### **Report description:**

In recent years, booking services in Peru have shown significant growth, effectively recovering to pre-pandemic levels. This recovery has been primarily driven by the online sales channel, which has seen dynamic activity. Online intermediaries have not only ramped up their commercial efforts with various promotions but also the most prominent physical travel agencies have increasingly focused on enhancing their online presence.

Euromonitor International's Booking in Peru report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2019-2023, allowing you to identify the sectors driving growth. It identifies the leading companies and offers strategic analysis of key factors influencing the market - be they new legislative, technology or pricing issues. Background information on disposable income, annual leave and holiday taking habits is also included. Forecasts to 2028 illustrate how the market is set to change.

Product coverage: Booking Offline, Booking Online, Business Travel, Direct Suppliers, Leisure Travel, Travel Intermediaries.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
