- Multiple User License (Global) €2985.00

Report description:

The Philippines travel industry anticipates double-digit growth in bookings in 2024, as seen in the data, driven by strong demand for both domestic and international trips. According to the Philippine Travel Agencies Association, the surge in foreign trips among local consumers is notable, with popular destinations including Vietnam, Japan, Hong Kong, Turkiye, Spain, and Portugal. As seen across travel, this is being fuelled by "revenge travel" post-pandemic, whereby restrictions for periods of...

Euromonitor International's Booking in Philippines report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2019-2023, allowing you to identify the sectors driving growth. It identifies the leading companies and offers strategic analysis of key factors influencing the market - be they new legislative, technology or pricing issues. Background information on disposable income, annual leave and holiday taking habits is also included. Forecasts to 2028 illustrate how the market is set to change.
