### Report description:

Cheese continues to witness stable consumer demand in Slovenia in 2024, bolstered by its versatility as both a staple food and an increasingly popular snacking option. Many cheese connoisseurs and health-conscious consumers, particularly those following low-carbohydrate diets or seeking to increase their protein intake, are turning to cheese as a healthier alternative to carbohydrate- and sugar-laden snacks. This shift in snacking preferences is driving the steady consumption of cheese throughou...
