### **Report description:**

In 2024, there has been a significant decrease in hotel occupancy rates in Ecuador, reflecting the deep crisis in the lodging (destination) sector in Ecuador. Hotels have suffered from the rising levels of insecurity in the country, which has deterred tourists from visiting the main tourist destinations. The first quarter of 2024 proved to be particularly challenging due to heightened insecurity, which lead President Daniel Noboa's government to issue a decree declaring an internal armed conflict...
