Report description:

While the cost of living remains high for US consumers, as do ADRs across hotels, luxury and upscale hotel brands have been performing well. In fact, they are far outperforming the budget segment, even though it would be expected that many consumers would be looking for value. The main reason for this is that the people feeling the pinch the most from years of high inflation are lower-income consumers, who are choosing to forego travel altogether. These consumers are the most frequent patrons of...
