Report description:

Travel in Kenya is witnessing robust growth driven by both domestic and international tourism. Domestic travel is being fuelled by infrastructure upgrades and a growing middle class that is increasingly interested in exploring local attractions. Domestic tourism has been particularly strong due to government initiatives promoting local travel, such as discounted packages and special offers that make travel within the country more affordable for Kenyan citizens. Upgrades in infrastructure, such a...

Euromonitor International's Travel in Kenya report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest market size data 2019-2023, allowing you to identify the sectors driving growth. It identifies the leading companies and offers strategic analysis of key factors influencing the market - be they new legislative, technology or pricing issues. Background information on disposable income, annual leave and holiday taking habits is also included. Forecasts to 2028 illustrate how the market is set to change.

Product coverage: Booking, In-Destination Spending, Lodging (Destination), Tourism Flows, Travel Modes.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

- * Get a detailed picture of the Travel market;
- * Pinpoint growth sectors and identify factors driving change;
- * Understand the competitive environment, the market's major players and leading brands;
- * Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems. With offices in London, Chicago, Singapore, Shanghai, Vilnius, Dubai, Cape Town, Santiago, Sydney, Tokyo and Bangalore and a network of over 800 analysts worldwide, Euromonitor International has a unique capability to develop reliable information resources to help drive informed strategic planning.
