### **Report description:**

By the end of 2023, Mexico led Latin America in tourism's contribution to national GDP, accounting for 28.5% of the total, according to the World Travel and Tourism Council. This positioned Mexico as a leading tourist power and highlighted its significant potential. In 2024, tourism in Mexico continues to demonstrate its remarkable resilience despite political and economic challenges defining the scope. The number of national and international tourists continues to rise. Domestic tourism by numb...
