### **Report description:**

Within analgesics in France, OTC analgesics is recording underwhelming growth in 2024, attributable to several factors. For example, 2023-2024 has been seeing lower incidence of flu and common colds compared to 2022, and for a shorter period between autumn 2023 and winter 2024 thanks to milder temperatures and reduced rainfall - consequences of climate change. Popular products such as acetaminophen are facing a rising risk of shortages; both pharmacists and their customers are inclined to oversteer...
