### **Report description:**

The progression of current value sales for dermatologicals in France in 2024 is primarily driven by price increases. This inflation has artificially pushed up value sales within the dermatologicals category over 2023 and 2024. In terms of volume sales, however, dermatologicals is hindered by the ongoing crisis in dermatology within the country. Appointments with one of the 4,000 dermatologists in France often require considerable waiting time. The healthcare system in France continues to experie...
