Report description:

Demand for herbal/traditional dietary supplements will continue to rise as consumers seek products which help to protect them from illness and place a greater focus on their health. The increased attention given to prevention and products supporting the immune system is causing a surge in demand for herbal remedies such as chia, garlic, gingko biloba, ginseng, and other herbal/traditional dietary supplements, such as herbal collagen. However, many Argentinians face reduced disposable incomes bec...

Euromonitor International's Herbal/Traditional Products in Argentina report offers a comprehensive guide to the size and shape of the market at a national level.
