Report description:

Weight management and wellbeing is set to maintain solid retail current value growth in Mexico in 2024. However, slimming teas is set to see only a minor value increase, along with a significant retail volume decline. In Mexico there has been a decrease in the purchase of slimming teas due to their flavour, the potential for intestinal discomfort, in addition to the fact that people are more sceptical about their efficacy in helping with weight loss, and concerned about safety. Moreover, most pe...
