### **Report description:**

The decision by the Therapeutic Goods Administration (TGA) to reduce the maximum size of packs for various acetaminophen products remains the key trend within analgesics in Australia in 2024. Announced in May 2023, the TGA has given manufacturers and retailers until February 2025 to adjust to the new measures, which have been driven by the need for a harm reduction approach to curb the high rates of intentional acetaminophen overdose in Australia. According to the TGA, approximately 225 people a...
