### **Report description:**

The rising self-medication trend is fostering greater interest in dietary supplements in Croatia in 2024, with category products gaining traction among health-conscious consumers who are adopting healthier lifestyles and diets. As dietary supplements become a regular part of daily nutrition, consumer demand remains stable. This stability, combined with price hikes amid moderate inflation in 2024, is leading to solid value sales. Only a few segments, which are less reliant on demand from inbound...
