### **Report description:**

Standard eye care in Colombia continues to see healthy retail current value growth during 2024, supported by inflationary pressure on prices. While retail volume sales of standard eye care are projected to fall, they are expected to be almost double the number of the 2019 pre-Coronavirus (COVID-19) level. In Colombia, consumers spend a lot of time in front of a computer or smartphone, because of work or for communication or entertainment. According to the trade press, Colombia is among the top 1...
