### **Report description:**

Herbal/traditional products is a sizeable product area in the Dominican Republic and is expected to register moderate current value growth in 2024. As consumers continue to prioritise health and wellness and look to adopt a more natural and holistic approach to their overall health, there is continued demand for herbal/traditional products. Organic is gaining value share, though it only represents a small proportion of value sales, and is supported by higher-income consumers. Herbal/traditional...
